The inspection reports were submitted to the District Inspector of Education, Bangalore. Popular lectures were delivered to the villagers about education, agriculture and industries.

6. Sixty five Bulletins were received from the Publicity Bureau, Madras. These Bulletins contain a variety of very useful information. After reading these bulletins I used to import the ideas contained therein to people in the taluk and those that I met on my railway journey and elsewere. I have reason to believe that this had the effect of dispelling wrong notions of things entertained by people on several important subjects. I heartily thank Sir J. T. Gwynn, Publishing Officer for supplying me the bulletins which contain most useful and up-to-date information.

The Mysore Blue book Journal also serves a useful purpose here. I would suggest its being enlarged and translated into Kannada so that the great majority of people who do not know English may get benefit by it.

7. *Panchama Schools.*—There are eight Panchama Schools in the Taluk. The town School is the biggest of all. Shoe-making is taught in the School and the state of the School is satisfactory. Devotional songs are sung by the girls in the School. Provision also is made for teaching adults at nights. Four students are working in the carpentry branch of the Industrial School. The School for Holeyas is in a good condition; devotional songs and moral stanzas are taught in all the schools. Several young men among the punchamas have given up the habit of drinking. I have paid visits to their quarters between 8 and 10 p. m. on several days and satisfied myself that they have improved their conduct in this respect. The boys in the panchama schools are very eager in their studies. The poverty of their parents is much to be pitied. They are quite unable to provide their boys with clothing and arrangements should be made to provide panchama students with clothing every year on the following scale:—

One pair of knickers and two coats to each boy, and one pair of kirge and kuppasas to each girl.

According to the existing departmental rules only some students among panchamas are given scholarships but not all. It will be a good stimulas to the boys to attend the school regularly if small scholarships are given to all the students without exception. Eight panchama schools that are now working in the Taluk are quite insufficient. The people of panchama community in several villages are praying for the establishment of panchama schools in their respective villages. Suitable teachers are not forthcoming, and so a panchama boarding School at Dodballapur is absolutely necessary. The boys in Madiga and Holeya

Schools at Dodballapur are given a disciplinary training and they are well-behaved. They show their natural devotion at Bhajanas on Saturdays and festival days and when the devotional songs are taught to them. Their pronounciation is very clear. The girls make use of Arisina and Kunkuma and the boys gundha and Akshathe for caste marks just as the girls and boys of higher castes of the Hindu community, and keep their clothes neat and tidy.

I cordially thank Mr. C R. Reddy, the Inspector General of Education, Messrs. D. Dasappa C. M. Vijayaraghavachar, D. Venkataramiya, H. N. Venkataramanaiya, M. Venkatasubbaiya and R. Thammaji Rao for giving me their most valuable help for the uplift of the panchamas in this taluk.

8. *Dodballapur Attendance Committee.*—New members were selected to this committee as per District Inspector's Order No 107 of 12-4-1921. The committee contains 16 members. 7 meetings were held. A long-felt want for suitable rented buildings for holding schools in the town of Dodballapur has now been removed by the construction of a spacious building in an up-to-date style at a cost of nearly Rs. 15,000 by Mr. D. Adeppa, the well known cloth merchant of Bangalore.

Mr. R. Thammaji Rao, the Amildar and Chairman of the attendance committee, Messrs. T. Shamaiyengar, Munsiff, A. Ananthaiya, Head-master, H. N. Lakshmipathaiya Inspector of schools and the committee members have all helped me a good deal for making compulsory Education a success in this town and my thanks are due to one and all of them.

9. Dodballapur has become one of the centres for conducting the Mysore Lower Secondary examinations. About 100 students had appeared at this centre. All these were fed freely with the help of some of the liberal-hearted gentlemen of the town. I am very thankful to Mr. T. Shamaiyangar B.A., B.L., Munsiff and Mr. R. Thammaji Rao B.A., L.L.B., who helped us much in collecting liberal donations for this purpose.

10. *Civic and Social service.*—

(1) Raising the marriageable age of girls.—
I gave two lectures on the advantages of raising the marriageable age of girls. 40 Devangas promised to celebrate the marriage of their daughters after 15 years of age and I am glad to note that they have acted up to their promise.

(2) *Economy in ceremonial Expenditure.*—
After due inducement about 45 people have during this year minimised their expenses for marriages and other cermonials.

(3) *Improving the Backward classes.*—
I have been exerting myself to my utmost for the cause of the progress of the backward people, like the Panchamas, in civilisation and general culture. I have encouraged Mr. Puttaiya of the Holeya community to erect a Mangalore tiled house in modern fashion.

I thank Raja Sabha Bhushana Dewan Bahaddur K. P. Puttanna Chetty C.I.E., Mr. B. Puttaiya, and Mr. Gopalaswami Iyer, Mr. M. Rama Rao, B.A.B.L., Mr. B. Usman Khan for all the help they gave me in these activities.

11. *Care of Orphans.*—

(1) Three orphans whom I handed over to the care of three different persons last year are being looked after properly. This year both Kenkare Lakshminaranaiya and his wife died leaving as orphans children of three, five and seven years. I handed over these poor, parentless children to the care of three different persons.

(2) One Kadappa lost his wife this year and could not look after his son of three years. I have kept him in my house under the care of my wife. All these four orphans belong to the Devanga community.

(3) *Panchamas' visit to Mysore.*—

This year I took some of the Panchamas of Dodballapur to Mysore during the last Dasara and Birthday of His Highness the Maharaja. I taught them with concrete examples how to improve in their habits and customs.

(4) *Great epidemic.*—

Plague made its appearance in the town and in the several villages of the taluk in June 1921. I accompanied Sub- Assistant Surgeon Mr. K. Ramaswamiyar to Hadripur Narasaiyana Agrahar, Shivapur and Singehalli villages and induced the people to get themselves inoculated. I thank Mr. Ramaswamaiyar for taking pains in inoculating the villagers by explaining the advantages of inoculation..

(5) *Jivadaya Pracharana Sangha.*—

This is a sangha started in Dodballapur for the prevention of cruelty to animals. I induced many gentleman of this town to become members of this Sangha. Mr. R. Thammaji Rao, the Amildar is taking great interest in the progress of this Sangha. For the present a cow is being protected. The conference of this Sangha was held on 26-6-1921. Mr. K. Narahari Shastri, Mr. K. H. Ramaiya and same other gentlemen delivered interesting lectures. Many members of the Arya Samaj and some gentlemen of Secunderabad, Hindupur and Parigi were present. A sum of Rs. 20 has been collected towards the working expence of this Sangha and the amount stands in the name of Mr. D. Kongadiyappa, President.

Mr. Arya moorthy, the Secretary of this Sangha and his friends Messers: Venkataramiah and Danappa Setty are sparing no pains in the interest of this Sangha. I heartily thank them for their earnest and useful work.

12. *Municipal Activities.*—

(1) *The Muncipal Office*:—I have been working as the muncipal Vice-President of this place since April 1918.

(2) *Collections*:—The following statistics give details of tax, pound and action collections for the last 4 years:—

Year	Tax	Pound	Octroi	Total
1917-18	2,448 11 5	239 13 8	1,272 0 5	3,960 9 6
1918-19	2,230 12 5	[illegible]	2,450 10 11	5,225 15 10
1919-20	2,252 8 1	909 12 6	2,904 11 5	6,067 0 0
1920-21 ..	2,033 9 4	624 4 6	3,206 15 9	5,894 13 7

It will be seen from the above that there was a steady increase from 1917-18 to 1919-20 in the income as a result of the greater scrutiny and check exercised by me in preventing the smuggling of dutiable goods. I must note here with great thankfulness that Mr. R. Thammaji Rao, the Amildar gave much help in collecting the amount.

13. *I am serving on the following Committees.*—

1. Co-operative Society.
2. A member on the Municipal Council and Vice-President.
3. Honorary Secretary to the Govement Girl School Committee.
4. Attendance officer on the Compulsory Education Committee.
5. Industrial School Committee.
6. Economic Development Board.

9. Dharmadarsi of Sripresanna Venkataramana Swami Temple.

15. *The Boy Scouts of Mysore.—*

The Chamarajapet and Shankarapur Local Scouts numbering about 30 went to Camp at Makalidrug, a beautiful Hill Station near Dodballapur, on the 15th April 1921 and spent three days with an interesting and useful programme. At my humble request, on the 18th the Director of Boy Scouts, Mr. Sanjiva Kamath was kind enough to visit Dodballapur with Scout Officers and Scouts. I took all of them to the Panchama School, Dodballapur. They were extremely pleased to see the real progress which the Panchama boys and girls made in education and cleanliness. Mr. Sanjiva Kamath expressed his satisfaction in the following words:— "It was with pleasure that I saw Kunkuma on the face of girls which showed that they were being brought up as respectable members of the Hindu Society. The handwriting of many of the boys and girls and espicially of one girl Putta Hanumakka, who, I understand, has appeared for the Kannada Lower Secondary Examination, was very pretty. One who is not personally acquainted with the very degraded position to which these unfortunate people have sunk by reason of centuries of isolation and possibly of social oppression, can hardly fail to realise the marvellous improvement made in these urchins, in their knowledge and personal habits. What was Booker T. Washington's gospel of the tooth brush to the negroes, should be the gospel of a daily bath in these depressed classes if their reform is to he led in the right direction. Mr. Kongadiyappa has been trying to reform and regenerate the depressed classes in the right way and with the right spirit. His efforts deserve the active encouragement of all those interested in Panchama Problem."

The next day before a large gathering of the Public of Dodballapur, the Scouts displayed their skill in first-aid, fire-drill, camp-life and physical culture. Mr. Srikantaiya read a paper on scouting. Mr. M. H. Krishna Moorthy, Scout Master of the 27th Bangalore troop, addressed the people in Kannada and explained the objects of the movement. Mr. K. S. Raghavan, Secretary, L. S. Association, thanked Mr. Kongadiyappa and the public of Dodballapur for the keen interest they had taken in the movement, The Sub-Assistant Surgeon of Dodballapur then spoke in appreciation of the work done by the scouts. The meeting terminated with the singing of the National anthem. Before the scouts left for Bangalore, I took them round the place and showed all the interesting places at Dodballapur. The day's expenses at Dodballapur were met by me.

I beg to offer my heart-felt thanks to Mr. Sanjiva Kamath, the Director and the Scout officers and scouts for taking much trouble in visiting this place and explaining the scout movement to the public of Dodballapur.

16. *Activitirs in respect of agricutture.*

(1) Planting of Honge.—For the last four years I got planted 75,000 honge, plants. All these are in good condition. When these young plants grow up into big trees, they will surely form very useful groves.

(2) A marino ram was given to one Kempanna at Marasandra who used it for producing nearly 20 sheep of the same variety as the ram. And on behalf of the ryots, I desire here to convey our thanks to Dr. Coleman and Messrs. A. K. Yegnanarayana Iyer, C. V. Ramaiya and S. N. Appanniengar.

17. Rice Depot.

A depot for selling rice was established at Dodballapur on the 31st February 1919. It worked till the end of August 1920. I was the manager of the depot for the whole period. 2,698 pallas and 72 seers of rice were purchased at a cost of Rs. 54,227-11-2 and the realisation from the sale amounted to Rs. 54,550-12-0. Our popular Deputy Commissioner, M. A. Narayana Iyangar Esq., B.A., B.L., A. Krishnaswami Iyangar Esq., B.A., K. Methan Esq., B.A., K. CHANDY Esq., B.A., C. S. Balasundarmaiyar Esq., B.A., B.L., B. Muddnkrishnappa Esq., B.A., R. Ranga Rao Esq., B.A., B.L., R. Thammaji Rao Esq., B.A., took to the regular supply of rice. So in this place I beg to offer on behalf of the town men and myself my heart-felt thanks to the above State officers.

18. Conclusion.

My thanks are due to the officers of the several departments of Government and to the public for so generously giving me encouragement and creating facilities for the smooth discharge of my humble duties. All credit for the progress, if any, achieved by me is due to those several officers and the people who readily co-operated with me in my work. I am much indebted to, all of them, for having extended their co operation to me and thereby helped me in doing some service to the public of Dodballapur.

With the kind, generous and sympathetic help forwarded by you, I beg leave to state that I have so for been able to render some humble service as detailed above, and respectfully pray that you will be pleased to accept my best thanks for the same.

I beg to remain,
Respected Sir,
Your most obedient servant,

D. KONGADIYAPPA,
